

Sports Section of CPF Montana: Combining studies and high-level of sports practice

In the context of developing students' physical skills and enhancing their sports activities, Mr. Bruno Jacquier, Principal of Collège Protestant Français Montana and the administration of Athletico Football Academy, Dbayeh launched on Wednesday January 8, 2020, the establishment of the first Sports Section in Lebanon.

Through this partnership, CPF Montana will offer for both French and English section students the opportunity to benefit from an adapted schedule while respecting the students' pace of learning.

Moreover, it will offer them plenty of opportunities to participate in national and international competitions with their club and their school.

For both girls and boys, this section could open on a variety of sports activities.
